PDU10A6W - PDU 6 WAY 10A

Specifically designed to manage power supply within 19 inch racks, the PDU10A6W conveniently provide six outlets for the small to medium number of equipment within a server rack cabinet. The six outlets are Australian type sockets built into a 1RU 19 inch mounting unit.

An On/Off switch, which controls all six outlets, brings convenience and options when turning equipment on and off, facilitate service/maintenance and add another level of safety for peace of mind.

The PDU10A6W has a 2m cord and Australian 3 pin plug for easy power connection.
